The Assessing Department is committed to maintaining accurate, consistent and up-to-date parcel data throughout the city. Representatives of the City of Boston Assessing Department will be performing field inspections on certain properties around the City. Each representative will carry a photo ID badge to verify his or her affiliation with the Department.

For more information, please call Assessing Department Valuation at (617) 635-1112.

Residential & Personal Exemptions Provide Tax Relief

The **residential exemption** allows taxpayers who own and occupy their home to have a portion of their property value exempted from taxation. To qualify for Fiscal Year 2015, homeowners must have owned and occupied their home on January 1, 2014. Documentation proving ownership and occupancy is required. *NOTE: Your Social Security Number is required for identification purposes and will be kept confidential. It will be used solely to confirm a 2013 personal income tax filing from your address with the Commonwealth of Massachusetts Department of Revenue. No exemption will be allowed if this number is not provided.*

Applications for Fiscal Year 2015 will be sent in September 2014 to those persons who purchased their homes in Calendar Year 2013. If you purchased your home in Calendar Year 2014, a residential exemption application will be sent to you in September 2015.

For Fiscal Year 2015, the residential exemption will be applied to the 3rd quarter tax bill.
